

We would like therefore, to urge other students to take a leaf from such performance in order to uplift their CVs and be a showing example to others.

We appeal to the parents to continue giving the necessary support in order to harvest the fruits of hard work.

Ours is a mission aimed at laying a bright foundation for our students to be able to succeed in their future education and work life. To our students, we say keep up the hardwork.

We are profoundly proud to announce that once again, some of our students who sat for the 2017 May/June exams have been nominated for awards by the British council. These awards are for the

Thus, Chibambila Simbeye and Kabanga Shakankale (full 'A' Levels) as well as Oluwatimilehin Fashinasi (IGCSE Level) are the chosen candidates from our institution to be accorded this rare privilege which
